

AVOIDING GLUTEN?

We offer menu items that have been prepared without gluten containing ingredients.

.....

To identify these options, look for items labeled  or ask to speak with the chef or manager. Please note that our menu items are not gluten free because we prepare and handle products containing gluten in our kitchens.

Important information about  labeling:

Menu options that were prepared without gluten ingredients are labeled . However, due to our open kitchens that handle gluten for the preparation of other menu items, we cannot guarantee that items made without gluten ingredients are "gluten-free," as defined by FDA. While we make every effort to avoid gluten cross-contact, there is always the potential for cross-contact with other gluten containing food items, particularly in our self-serve facilities. We encourage guests to speak to the Chef or Manager regarding any questions about the ingredients contained in the food being considered.
